Hi David,
The work at our house was completed on Friday - YAY! Derek & I have moved back in and are elated to finally be back home. The kitchen is SPECTACULAR! HP Associates did a wonderful job & Charles Bentley is a great guy to work with. I want to thank you for your help in coordinating our file. I know that our house was not a huge claim, but you still treated us with equal importance - thank you for that! I'm expecting our final check back from Washington Mutual any day now and will pay the balance owed to HP Associates upon receipt. The last day Derek & I were renting the 2 rooms from my parents was February 27th, so it worked out perfectly in regards to the rent checks received from Farmers (rent for December 28th to January 27th & January 28th to February 27th). Do you need anything from me to close your file? Let me know.....

Best Regards,
Mandie
