To Whom It May Concern:

I contracted HP Associates, Inc. after a flood occurred at my residence. HP Associates, Inc. helped in establishing the scope of repairs with the insurance company and after the settlement, they repaired/replaced everything necessary for my family to move back into our home.

We had some issues with some repair items but they stayed with the project and completed everything to our satisfaction. HP Associates provided us excellent service and we highly recommend them.

Sincerely,
