TO WHOM IT MAY CONCERN:

Bruce Parton and I met in 1975 when he came to work for Bullock's Department Stores as an Assistant General Manager of Operations.

During our time together at Bullock's, Bruce was promoted a number of times because of his excellent management and organizational skills coupled with his hard driving work ethic. Bruce has excellent skills in operations, project management, planning and construction among others.

In 1981 he left Bullock's for other opportunities but we kept in touch and followed each others careers carefully. I can give Bruce Parton a very positive recommendation because of my firsthand knowelgde of his achievements and our continued professional relationship.

Please do not hesitate to call for further information.

Sincerely,

EL:cn
