Dear Bruce:

Over the last few years you and I have been involved in a number of projects together and I want to take this opportunity to comment on your professionalism.

We have worked on a number of types of projects; Apartments, Custom Houses, and Commercial Development. In all cases I have found you to be honest and direct. Your problem solving skills are highly developed and you communicate well with both the clients and the subcontractors. You have proven over and over that you have the management skills necessary to achieve an effective and cost sensitive project completion.

I look forward to working with you on future projects and I am always available for references on your upcoming project negotiations.

Sincerely,

S.D. Huffaker AIA
