RE:

Dear Bruce and Charles,

We are writing you this letter to let you know how happy we are with the job HP Associates, Inc. did restoring our house on . Everything looks wonderfully new, and it feels much bigger, lighter, and brighter than it did before.

Please feel free to use us a reference for any future prospective clients you may have because we would highly recommend using your company. Thank you again for a job well done.

Sincerely,

  
Jaime & Norma Suarez
