To Whom it may concern-

I used Bruce Parton for a construction job on my house. He was fantastic!!!! I have heard so many horror stories about construction/remodels to a home and this is far from what I experienced this with Bruce!

He is so professional, quoted me a price and stuck to it. Told me when it would be done and stuck to it. Was available anytime I called him with all of my little questions. All the various people who worked on my house were excellent as well. Nice, polite, non-intrusive, accommodating. Everyone he hired was a pleasure to work with as well!

When all is said and done, they did an outstanding job and I would recommend him to anyone!! Not only did his team do a great job but Bruce gave his honest opinions in several areas that I had no idea about (obviously I am not a contractor) and I feel he was "right-on" with all of his advice! I cant say enough about how pleasant the whole experience was working with him and the people he hired! If you need me as a reference PLEASE dont hesitate to call me (818)

Thanks Bruce for doing such a wonderful, stress-free job!!!!

Best-
