RE: Bruce Parton / HP Associates

To Whom It May Concern:

HP Associates entered into contract for the refurbishing of our buildings at 1251 and 1263 Westwood Blvd., Los Angeles, CA 90024, in May 1990. Work involved in the project included the following; tile work, repaving and striping the parking lot, signage, landscaping, cabinetry, wallpapering and electrical and ceiling lighting.

We are pleased with the results of the work and were particularly impressed by Bruce Parton's good communication, supervision of the workers and speed with which he completed these jobs.

Please feel free to contact me if I can provide you any further information.

Sincerely,
