Dear Bruce,

My new home is absolutely beautiful !!! I cannot thank you and your team at HP Associates enough, for rebuilding my home and restoring my life, after a devastating fire.

I have NEVER met such an honest, professional and dependable contractor. You answered every phone call promptly and not once were you late for a meeting with me. I so appreciate you always trying to fit my every idea into the "Budget" ~ and never once dismissed me because I'm a woman.

I cannot tell you how satisfied I am with the outstanding quality and beauty of my home. Every friend and neighbor has remarked on what an excellent job you did.

You went above and beyond, and my ability to always rely on you made a traumatic time, that much easier.

I am beyond impressed with your work and ethical character. BEST,
Thank You Bruce!! SUSIE BRIDGES
