To Whom it may concern

On March 19 .2009, our family had a traumatic experience. Part of our house burnt down due to an electrical failure in the garage. We were recommended H.P. Associates to rebuild our home by the Greenspan Company (insurance adjusters). My family and I are pleased to write this letter of recommendation for them. They did a wonderful job on the rebuild of our home and then some. We would personally like to thank Mr. Charles Riccardi and Mr. Bruce Parton of H. P for there expert construction knowledge as well as consideration and help during this trying time for us. We would also like to thank Ms. Kayde Johnson of H. P. who kept us up to date on all the logistical and accountability issues.

Again, thank you so much H.P. Associates !
